### Signs a Narcissist Is Playing Games and Why

Signs the narcissist is preparing to discard you. Because the narcissist cannot subsist without supply, when they determine your utility is done & dusted, they make the conscious decision to discard you. But first they must secure replacement supply. Whilst this is reprehensible, there is an upside (kinda...as far as upsides go in a toxic mess!).

### 3 signs the narcissist is preparing to discard you | Narc Wise

Narcissistic abuse comes in many forms, but one of its most common characteristics is that it causes shame and fear. The recipient of the abuse doesn't want other people to find out. You may find yourself thinking "well, maybe it isn't really that bad," or finding other ways to keep things to yourself.

### Narcissistic abuse: 10 subtle signs it's happening to you

Narcissism is the pursuit of gratification from vanity or egotistic admiration of one's idealised self-image and attributes. The term originated from Greek mythology, where a young man named Narcissus fell in love with his own image reflected in a pool of water. Narcissism or pathological self-absorption was first identified as a disorder in 1898 by Havelock Ellis and featured in subsequent ...
