Agricultural Land Redistribution Toward Greater

Abstract The main focus of this book is land redistribution. To forge greater

Where To Download Agricultural Land

consensus among practitioners of land reform, and to enable them to make better choices among the many options, the book describes and analyzes alternative broad paths of implementation, using examples and the detailed implementation mechanisms that were used in those examples.

The effects of land reforms on farm size and agricultural productivity. Land reforms, whilst well-intended, misallocate land and labour across farms, thereby reducing average farm size and agricultural productivity. Land reforms, the policies often associated with the redistribution of agricultural land from the land-rich to the land-poor
