Results for manual treadmill - Argos

About this product. Great for toning and strengthening your legs and improving your cardio fitness, this non-motorised treadmill puts the power at your feet. With no motor to start it you create the movement by simply starting to run or walk. It is fixed at a set incline of 6% so it will help you feel like you are running or walking uphill and the console gives you feedback on your speed, time, distance, calories and pulse.

Brands include Reebok, Roger Black and Argos's own brand, Opti. ... Manual treadmills take more effort to use as the speed of the running deck isn't powered electronically. You might consider this a plus if you want a tougher workout, but there's a chance you'll crave the convenience of an electric machine.

Treadmill buying guide - Which?

If you're tight on space, opt for a treadmill that folds up when you're done using it. A manual unit with a belt that only moves when you walk on it is a good choice for saving space and electricity. Select a treadmill with a display you can easily see, especially when you're in motion.
