Judiciary of Russia - Wikipedia

The work of UNODC in crime prevention and criminal justice reform is guided by the UN standards and norms on crime prevention and criminal justice. The UN standards and norms are sets of non-binding rules, principles, and guidelines relating to different aspects of criminal justice, such as juvenile justice, violence against women, protecting the rights of children, and prison reform.

Criminal justice, prison reform and crime prevention

Trump called the law, which he signed in December, the "most significant criminal justice reform in many generations." The measure was supported by an unlikely mix of conservative and liberal groups that argued that harsh sentences for drug crimes had filled the nation's prisons with non-violent offenders who could benefit from support and training on the outside if released.

President Trump takes victory lap on criminal justice reform

Other aspects of the criminal justice system are in dire need of reform, too. In 2015, South Carolina Senator Tim Scott drafted the Walter Scott Notification Act in response to increased public ...
