Hot Rod Golf Carts: Custom Golf Cart Accessories and Parts

Most regular golf carts don't last very long. The mainstream brands primarily design their carts for short term leases with golf courses. These carts are cheaper because they're built with a shorter product life cycle in mind. But you need something that will last.

Get a 800cc Bombadier Snowmobile engine (used in Skidoo's), Pull the clutch off and, get a comet go kart torque converter, modify the spline to fit it to the engine. The rear axle can be gotten from a 2wd go kart (1wd won't work good). The steering can be gotten from a parts golf cart. The frame and bodie is up to you.
