The history of quilting, the stitching together of layers of padding and fabric, may date back as far as 3400 BCE. For much of its history, quilting was primarily a practical technique to provide physical protection and insulation. However, decorative elements were often also present, and many quilts are now primarily art pieces.

## **History of quilting - Wikipedia**

Quilting is the term given to the process of joining a minimum of three layers of fabric together either through stitching manually by hand using a needle and thread, or mechanically with a sewing machine or specialised longarm quilting system. An array of stitches is passed through all layers of the fabric to create a three dimensional padded surface. The
