By Matt Hawkins If you purchased your Craftsman snowblower from a retail outlet such as Sears (the manufacturer of Craftsman brand products), an owner's manual should have been included with it. On the other hand, if you purchased it used from another source, the manual may very well not have been included with the snowblower.

Where To Download Sears Manuals For Snowblowers

Solution: If you don't think there's a difference between OEM John Deere parts and aftermarket parts, you could be about to make a mistake that will cost you even more time and hassle in the future. In the picture above (no clean ups or alterations were made to the bearings or images) you can see the difference in grease fill between an OEM John Deere bearing and a non-OEM bearing.
