### The First Casualty The Untold

The First Casualty - "The #1 Edition" - April 2nd 1982 - the day that the Falklands War erupted. Just sixty Royal Marines stood in the way of an armada of thousands, 8,000 miles from home and with no support. The story that followed was one of a shameful defeat and ignominious surrender. A story which has lasted for 35 years.

### Amazon.com: The First Casualty: The Untold Story of the ...

The First Casualty gives a full account to what happened on April 1st, 1982 as told by the ones that were there. I found this to be a powerful and informative read to what happened on those fateful days in the cold south Atlantic.

### The First Casualty - The Untold Story of the Falklands War ...

As the book's title alludes to, in war, the first casualty is often the truth - most especially so when there are high political stakes involved for both parties, and when one of them is a military junta infamous for killing its own citizens, and hiding and distorting the truth, a tradition honored by Argentine media and governments ever since the war, it gets even harder to navigate the fog of war.

### The First Casualty - The Untold Story of the Falklands War ...

One year ago today, something incredible happened in the annals of military history: we changed it for good. With the publication of "The First Casualty - The Untold Story of the Falklands War" the heroes of the Royal Marines Naval Party 8901 at last had their story told; not the tale of a 'token defence' and a 'shameful surrender' as the press had reported 35 years before, but of another 'Jadotville' and a battle which was hushed up for political reasons.

### "The First Casualty" - One Year On - How We Changed ...

THE FIRST CASUALTY. Ricky D Phillips found his 'big break' with his debut military history book, "The First Casualty - The Untold Story of the Falklands War" published (originally by Navy Books of Liskeard, and later by BEIC Books of Edinburgh) on March 28th 2017 on the 35th anniversary of the Falklands War. The book was the first detailed look at the Falklands invasion of April 2nd 1982 and drew together over 300 witnesses from the UK, Argentina and the Falkland Islands to compile ...

### Ricky Phillips - Site Title

In quick time, a blog became a book with several working titles until it hit me; that old misquote of "The first casualty of war is the truth" and the name was born "The First Casualty - The untold story of the Falklands War" - with a nice double-meaning being as Pedro Giachino - the only man they admit being killed (and what a suitable martyr he was, being Argentina's superman) is still known by many in Argentina as "The first casualty of the Falklands war" - the name couldn't have been better!

Ricky D Phillips, author of "The First Casualty - The Untold Story of the Falklands War", tells us what he believes really happened when the Falkland Islands were invaded in 1982. "It is important to me personally that this story gets told as it happened, since I suspect there are those who would rather it wasn't".

### The First Casualty: The Untold Story of the Falklands War ...

Dear readers, as my own Falklands War project "The First Casualty - The untold story of the Falklands War" comes ever closer to being released, I find myself inexorably more drawn towards some of this fascinating war's greatest myths and mysteries...and there really are a great many. None, however, seems to come up as often as the incident known in the military history world as "The Invincible Myth" - the idea that the British aircraft Carrier HMS Invincible was sunk, the many ...
