Volvo Penta, Manly Harbour Marine Mechanics Technicians ...

OMC and Volvo Penta Ignition Module (Part No 3854077) It has come to our attention that a very common ignition module for many Volvo and later model OMC engines has now been listed as obsolete and is no longer in production. The module part number is 3854077. While we have a few 3854077 still in stock, it is becoming increasing difficult to find.
